

Homeowners Meeting with Elections, Wednesday, 10/24, from 7-9PM

The next General Meeting of the Woodstream Homeowner's Association will be on Oct. 24th at the Pickerington Library, Opportunity Way, across from the Pickerington Central High School.

The Agenda includes:

- Block Watch Renewal Information
- Financial Report
- Entryway Upgrade Report
- Upcoming Events
- Election of Directors

If you are interested in becoming a Director of WHOA, please contact the Board at:

board@woodstreamhoa.com

Pumpkin Carving Sunday, 10/28

Moms, Dads, and Kids can come create your favorite Jack-o-lanterns on Sunday, Oct. 28th at the Hale house, 7985 Shady Maple Dr. Bring your pumpkins and ideas for a fun-filled afternoon ... 2PM - 5PM.

- Bring Carving Tools, if you have 'em
- Bring extra lawn chairs, if wanted.
- Refreshments will be served.

Questions? Contact Gail Hale ...

social@woodstreamhoa.com

Parking vehicles on the street

Please let's minimize parking on the streets. It is OK for overnight parking, but continuous parking on the street is asked to be avoided. Many children are now on the streets due to the re-opening of school. It is unsightly and can be dangerous for pedestrians and bicyclists on the streets, as drivers who have to avoid and swerve around the cars may not see someone. Results could be life threatening.

Overnight parking of Semi-Trailers is NOT allowed on our streets.

Please Watch Your Speed !!!

There have been repeated instances of speeding through the development and failure to observe stop signs. While the most common reaction is to blame outsiders, sadly that's not been the case. Our residents have been equally at fault.

Everyone gets in a hurry. It's just a fact of life today. But, a moment's inattention could lead to a lifetime of misery for a parent or for the driver.

Please observe the 25 mph speed limit and stop at the STOP signs throughout Woodstream.
